Developing an effective in-service training for teachers.

Developing something else?

- Relate your ideas to what you have experienced during your visit in Finland.

”Remembering the future”

Close your eyes for a while and move your mind to the year 2018:
Everything is ok, and works very well...

How does look like?

Next step

- Let's summon up what we or some other actors did to make everything work so well?

Next step

- What kinds of challenges and problems did we face?
- How did we overcome these challenges?
